Treatment Report 5-12-13

Meeting at spanght center going good,  
I still have people from primary  
purpose going in, with still more  
interested, ordered and received  
more ~~to~~ Pamphlets used  
half of them to restock preferred  
family death care. Bridge the  
Gap cards are being used.  
I am still trying to get a  
meeting in the adult center and  
am working on Pathways.  
Need to find out if we are  
going to have enough Pamphlets  
for job fair.
