

District 11 DCM Report
May, 2015

1. Marge, the GSO Delegate was gracious enough to send District 11 a postcard with greetings from New York while attending the General Service Conference. We certainly appreciate her thoughtfulness and skillful service.
2. Area Chair sends reminders that any district committees in need of help may contact their Area-counterparts for assistance.
3. The State Convention Co-chairs requests Districts encourage GSRs talk to their groups about pre-registering for the convention. It really helps in the planning of the event to know approximately how many will be attending.
4. The 75th Anniversary of AA in MO has been cancelled due to the number of large number AA activities.
5. Thank you notes have been prepared for the Groups who donated to District in March.

A reminder of 3 important upcoming events: the International Convention July 2-5 in Atlanta, the Missouri State convention July 31- Aug 2, & 2015 Southwest Regional Forum Oct 9-11 in St. Louis.

Respectfully submitted,

Susan Scovill
